

# Reform of the Adult Migrant English Program Discussion Paper

## Meeting to Discuss Changes to the AMEP

The proposed changes include providers being funded *based on student outcomes*, **i.e. 63% of payments** to providers will depend on students achieving competencies.

*How will these proposed changes affect your work and your students?*

Read the Discussion paper [here](#).

The Department of Home Affairs is seeking feedback from stakeholders, including teachers.

**To assist you in understanding the issues, Helen Moore, ATESOL ACT President, will brief you on what is being proposed and how you can respond to the Department about these proposals.**
