

ATESOL ACT is the **Association of Teachers of English to Speakers of Other Languages in the Australian Capital Territory**. Our members work within a range of educational settings including early years, school education, adult English language programs, ELICOS, tertiary studies, teacher education and research programs.

We aim to support all teachers and learners of English as an additional language within the ACT. We offer workshops and seminars which cater for professionals working in the TESOL field and welcome mainstream teachers with EAL/D students.

Membership entitles you to:

- participate in your local professional association dedicated to Teaching English to Speakers of Other Language (TESOL)
- attend the biennial ACTA conference and lively professional learning workshops with local, national and international presenters at discounted membership rate
- receive ATESOL ACT e-newsletters
- get updates on and input to TESOL advocacy in the ACT
- benefit from affiliation with the *Australian Council of TESOL Associations (ACTA)*, which advocates nationally for TESOL teachers and learners, is responsible for the biennial national ACTA conference and the online *TESOL in Context* journal.

ATESOL ACT also has a [Facebook Group](#) where members can connect, learn and share, and posts on [Twitter](#).
